Honorable Frederick J. Scullin, Jr.  
United States District Judge

Re: Papineau vs. Dillon  
93-CV-491

Dear Judge Scullin:

I respectfully request the Court's permission to forward my two memoranda that were filed in this case to the Justice Department, so that it will have the full picture in evaluating whether or not to file a Memorandum of Law. Only if the Justice Department is provided with the policy that was submitted to under oath in an affidavit by Mr. Gerber on April 22, will the Justice Department understand the circumstances of this case and be able to compare the policy submitted to the Court on April 22 with the one submitted on May 7.

I would be pleased to forward copies directly as long as the Court gives me permission to do so.

Very truly yours,

  
John J. Brunetti
